**Theme: Research and Training**

---

National PhD Students Days 2020 (NPSD'20)

**3<sup>rd</sup> Edition, September 26-27**

---

**Journal of Physics: conference series or IEEE CPS**

- <https://advancedcomputingresearchsociety.org/>
- 

Dear Professor,

The papers would be published either in Journal of Physics: conference series or IEEE CPS.

In my previous mail I had mentioned it against each paper.

Registration fee is US\$250 per paper. For international PhD scholars we give 30%fee waiver i.e students have to pay **US\$ 175**.

# National PhD Students Days 2020 (NPSD'20)

**3<sup>rd</sup> Edition, September 26-27, 2020**

**Theme: Research and Training**

## **Bank account details:**

Account Name - Advanced Computing Research Society

Bank - HDFC

Branch - Porur

City - Chennai

Country - India

Account type - current account

Account number - 03901450000075

IFSC code - HDFC0000390

MICR code - 600240016

If you have questions, please let me know.

Thanks

Geetha

Team ACRS

# National PhD Students Days 2020 (NPSD'20)

## 3<sup>rd</sup> Edition, September 26-27, 2020

Theme: Research and Training

### List of Selected and Accepted papers

S.No.	Paper ID	Title	Similarity Percentage	Status	To be published by
1	NPSD2020_07	A Fuzzy Near Neighbors Approach for Arabic Text Categorization Based on Web Mining Technique	31%	Revision Required. Make changes such that the similarity index is less than 15%	Journal of Physics:conference series
2	NPSD2020_10	Use of concrete formulations based on dredging sand in the fabrication of tetrapods for protection of harbour dykes	22%	Revision Required. Make changes such that the similarity index is less than 15%	IEEE CPS
3	NPSD2020_14	QUANTUM ENTANGLEMENT IN SPIN AND CHARGE CORRELATIONS	39%	Revision Required. Make changes such that the similarity index is less than 15%	Journal of Physics:conference series
4	NPSD2020_19	MEAN- ADJUSTED VARIANCE MODEL FOR PORTFOLIO OPTIMIZATION	27%	Revision Required. Make changes such that the similarity index is less than 15%	Journal of Physics:conference series
5	NPSD2020_25	A multi-objective unit commitment optimization with integrating electric vehicles as flexible loads	36%	Revision Required. Make changes such that the similarity index is less than 15%	Journal of Physics:conference series
6	NPSD2020_29	A LIGHTWEIGHT BLOCKCHAIN FRAMEWORK FOR IOT	4%	Accepted	Journal of Physics:conference series

# National PhD Students Days 2020 (NPSD'20)

## 3<sup>rd</sup> Edition, September 26-27, 2020

### Theme: Research and Training

		INTEGRATION IN SMART CITIES				
7	NPSD2020_30	Algorithmic teaching and collaborative problem solving: case of a physical chemistry discipline	1%	Accepted	Journal of Physics: conference series	
8	NPSD2020_31	Risk management in Moroccan healthcare organizations: an overview	10%	Accepted	IEEE CPS	
9	NPSD2020_32	Evaluating the Efficiency of Technology Transfer in the Processing Industries: An empirical approach based on Data Envelopment Analysis DEA of the Processing Industries in the Souss-Massa Region	31%	Revision Required. Make changes such that the similarity index is less than 15%	Journal of Physics: conference series	
10	NPSD2020_33	Creation of a socially responsible index correlated shariah: Case of Casablanca stock exchange	6%	Accepted	IEEE CPS	
11	NPSD2020_36	Body Image Dissatisfaction in Moroccan Women with Breast and Gynecological Cancer Treated with Radical Surgery	19%	Revision Required. Make changes such that the similarity index is less than 15%	Journal of Physics: conference series	
12	NPSD2020_37	Acardiac acephalic fetus: A rare complication of twin pregnancy, A case report and review of the literature	Paper Not Received			
13	NPSD2020_44	Field Oriented Control of Doubly Fed Induction Motor using Speed Sliding Mode Controller		18%	Revision Required. Make changes such that the similarity index is less than 15%	Journal of Physics: conference series
14	NPSD2020_45	An efficient method for Mining Distributed Frequent Itemsets: MDFI		22%	Revision Required. Make changes such that the similarity index is less than 15%	Journal of Physics: conference series

## 3<sup>rd</sup> Edition, September 26-27, 2020

### Theme: Research and Training

15	NPSD2020_47	Reheating in the Standard and in the Braneworld Inflation According to Planck 2018	13%	Full paper required	Journal of Physics:conference series
16	NPSD2020_48	Contribution de la pratique RH de communication à la satisfaction au travail, à l'engagement organisationnel et à la performance individuelle	26%	Revision Required. Make changes such that the similarity index is less than 15%. Paper Title changed as per paper. Please translate in english.	Will be decided later after translation in english
17	NPSD2020_49	Dosimetric Comparison of Radiation Therapy and Proton Therapy in Prostate Cancer Using the Monte Carlo Simulation Plateform GEANT4	Paper Not Received		
18	NPSD2020_53	An introduction to a Multi-Sensor Data Fusion process for the localization in Flying Ad Hoc Networks (FANETs)	18%	Revision Required. Make changes such that the similarity index is less than 15%	Journal of Physics:conference series
19	NPSD2020_63	Prevalence of physical activity, sedentary behaviour and unhealthy dietary habits among Moroccan adolescents	41%	Revision Required. Make changes such that the similarity index is less than 15%	IEEE CPS
20	INRT2020_046	<b>Study on the impact of Smart Delocatization practices on International Trade</b>	18%	Revision Required. Make changes such that the similarity index is less than 15%. Paper Title changed as per paper	Journal of Physics:conference series
21	INRT2020_053	<b>Industry 4.0 and its Implications for the Financial Sector</b>	14%	Accepted	IEEE CPS
